Attention: Mr. Kevin Graham, President

Dear Kevin,

I am writing to thank you for the outstanding work you recently completed on our Alumni Survey.

From the start of this project to its finish, I was most impressed with your degree of expertise in the field, your level of professionalism, your excellent analytical skills and your final presentation to our Trustees.

The information you gathered and analyzed for us will serve us well as we strive to respond to the needs and wishes of our alumni/ae community and to meet the ambitious goals set out in our five year plan.

We look forward to working with you in the near future on our parent survey.

In the meantime, if we can offer our support as a reference to other clients, please ask them to contact me or our Director of Communications, Richard Johnston, as we would be delighted to do so.

Sincerely,

David Hadden
